19TH ANNUAL CONFERENCE

caring
for the **FRAIL**
ELDERLY

And the 18th Annual Meeting
Missouri Association of Long-Term Care Physicians

August 21-22, 2009 ~ The Holiday Inn Select Executive Center ~ Columbia, Missouri

Purpose:

To provide a forum for updating health professions caring for the elderly in the areas of clinical management, interdisciplinary care, and system change.

Objectives:

- Describe evidence-based approaches to addressing complex syndromes relating to falls, fractures, and frailty, strategies for anticoagulation, approaches to treating dementia, and pain management.
- Discuss the interdisciplinary aspects of caring for the elderly in hospitals, approaching ethical and legal issues in frail elders, managing grief and loss in the nursing home, and providing end of life care in assisted living facilities.
- Explore system changing approaches to care involving Medicare Part D, the MDS 3.0, innovations regarding transitions to hospital and nursing home, managing emerging infections, and using information technology in long term care settings.
